

Sponsoring our team is not only a great way to get involved with the community; it's also an amazing form of marketing for your business. Our softball team has about 85 Players / 8 Teams. That means your business will have branding in front of hundreds of people and generate 1000+ impressions in the Hartford and surrounding area. With that type of exposure, everyone will remember that Your business supported us.

We have an indoor practice facility so that we can have player development occur year-round. We host 3 tournaments throughout the year to help with upkeep at both our home fields and indoor facility. We ask for sponsorship to help with unexpected costs, new equipment purchases, and club goals.

Youth Sports impacts kids in more ways than you can imagine and does far more than help kids burn off steam and develop skills. Sports shape children's mindsets, emotions and views. Youth sports build character and teach life lessons. Your donation will ensure these kids follow that path for many generations going forward.
